

18 April 2017

Dear Southport State School Families

It is with mixed emotions I write this letter to parents and carers of students at Southport State School.

In the last week of Term 1, I was advised of my successful application and appointment to the position of Assistant Regional Director in the Darling Downs South West Region. The position is based in Toowoomba. My last day at the school will be this Friday 21 April.

I would like to thank each and every one of you for entrusting me with your children for the past three and a half years. I feel honoured to have been given the opportunity to be part of the Southport State School Community and have been fortunate to lead a truly outstanding school. I have many wonderful memories that will stay with me for a long time.

I will truly miss our students. Their well-being and educational progress is our core business. It is the reason why I, and all of our staff, come to work every day. I strongly believe we have outstanding teachers here who genuinely care for their students and their learning throughout the primary schooling years.

I feel confident that I am leaving this school in great shape to continue its reputation for providing an excellent education to all of our students.

The Acting Principal for Term 2 will be Mrs Maria Thompson; Mrs Thompson is currently our junior school Deputy Principal. Our Regional Director will lead a recruitment and selection process to appoint a new permanent principal to Southport State School for commencement in Semester 2 2017.

Please accept my sincere thanks and appreciation as I transition into a new learning experience of my own.

Warm Regards

Mrs Sevil Aldas
Principal
